

## The South African Association for Social Workers in Private Practice

### PERMIT TO PERFORM ESSENTIAL SERVICE

#### Regulation 11B(3)

Government Notice No R.398 of 25 March 2020 ( Gazette 43148)

Annexure C: Form 1

SAASWIPP, South African Association of Social Workers In Private Practice, with a broad membership of private practice social workers, is an authoritative professional body. We are an NPO (217-616 NPO) sanctioned by SACSSP, South African Council of Social Service Professions, to regulate and facilitate the delivery and quality of services of social workers in private practice.

We have assessed claims for the permit from our membership and endorse the need to give access to the social worker mentioned in this document, to deliver the service required.

This hereby certifies that as a social worker ...
